

2023 South Hero Land Trust Annual Celebration

We're looking forward to celebrating with you on July 30th! Here are some details about the event space and activities - please feel free to contact us if you need any additional information.

The optional walk up Fox Hill:

This tour will be led by Nancy Patch, the County Forester for Franklin and Grand Isle Counties. The group will be moving slowly with regular pauses. We anticipate the entire tour will take between 45 - 60 minutes.

The out-and-back path is approximately ½ mile long (¼ mile to the top of the hill), and climbs approximately 270 feet on a very gradual path. The majority of the trail is a well-mowed grass wide path with uneven terrain on an open field.

At the top of the hill, the group will walk along a dirt path to the deer enclosure (roughly 100 feet from the field). This part of the trail is under a forest canopy, with multiple exposed roots and small rocks.

We encourage participants to use sunscreen and bug spray.

The Celebration site and Snow Farm Winery property:

- Restrooms: Portapotties located very close to the tent where we will be holding the social gathering and annual meeting. Indoor ADA-accessible bathrooms are available inside the winery building.
- Parking: Parking is on a grassy mowed field, although guests with mobility issues may be dropped off at the entrance to the winery.
- Celebration site: We will be hosting the social gathering and annual celebration under a tent with open sides, on a solid wooden floor. (Sides may be put up for adverse weather.) We will have multiple tables and chairs set up for guests.

Please let us know if there are any accommodations we can provide to make your time with us more comfortable and enjoyable. Contact us at Info@SHLT.org
