

SOUTH HERO LAND TRUST'S

Core Values

We are dedicated to protecting and nurturing South Hero's land and the people who live, play, love, and grow on it.

These core values guide all project, program, and partnership development at South Hero Land Trust.

Conservation

Conserving land in South Hero, for current and future generations, is the heart of South Hero Land Trust.

Relationships

We build programs and relationships that foster and transcend land conservation.

Engagement

We recognize that we are embedded in a broader movement, and are eager to engage with our neighboring communities.

Collaboration

We believe in strong partnerships and healthy collaboration.

Stewardship

We are deeply engaged in fostering appreciation and stewardship of South Hero's farms, natural and recreational resources, and community.

Connection

Our greatest strength is our direct connection and commitment to the land and people of South Hero.

Inclusion

We work toward creating safe, welcoming, and inclusive spaces for all people on the land and in our community.
